Respected Sir,  
Subject: Submission of Program Report – Reg.

This is to submit that, we successfully completed “**Program on Inspiring Young Scientist**” dated **12/03/2020, (Thursday)**. This program was specifically arranged for our second year students of division B.

We collaborated with Government and Private Schools in rural Baramati viz. Walchandnagar. for this program. This program was meant to create **awareness on Young Scientist Program of IISC Bangalore and ISRO - Government of India.**

In this program **54 students and 4 faculty members** participated. To begin with students were oriented by Principal -“Shree Vardhaman Vidyalaya” about the scheme at our Institute. This was followed by on the field visit to selected schools in Walchadnagar rural area around Baramati.

**3 Teams with officials visited 2 Schools in Walchandnagar.** Awareness about the scheme, documents and procedural formalities was conducted.

The impact of this activity was that **4 young and bright students from 2 Schools** agreed to register under the scheme.

We sincerely thanked school authorities for giving our students and staff an opportunity to **extend our services to society for this program on inspiring young scientist** in the region.

Thanking you,

With warm regards,

Dr. Abhishek Y. Dikshit  
Coordinator for Extension, Collaboration and Consultancy
