**A Report of Feedback
for the Academic Year 2020-21**

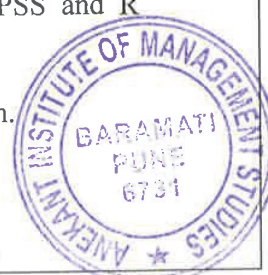

A feedback on design and review of syllabus was collected from Students, Teachers, Employers, Alumni and Parents.

From the feedback obtained A.Y. 2020-21 it was felt by the stakeholders that,

- The latest syllabus is very vast taking into consideration teaching hrs. available.
- MBA Students lack employment ready skills.
- Latest online working tools & technologies need to introduce in the syllabus.
- Students stated that, industrial interaction at local and outside of the state needs to be done frequently.
- Faculty sated that, latest happenings and case studies should be incorporated in the syllabus.
- Major and Minor specialization creating confusion.
- Dissertation also needed for 4th Semester.

Action Taken by the Institution:

1. Major concepts of the units need to be focused during classes and remaining concepts can be given to the students as an assignment.
2. Reskilling students with STEM based courses which provide specialised skills is the need of the hour. Non-engineering graduate students have to be focused more to improve their skills.
3. The Institute level and Skill Based courses are approved by Advisory Board and CDC of the Institute.
4. To have strong tie-up with various in the industries in the nearby locations to improve interaction between academia and industrial sector.
5. The teachers and students are encouraged to use latest MS Excel, SPSS and R software for their research and allied work.
6. Academic coordinator would take separate session on syllabus introduction.
