21. Give any three observations / suggestions to improve the overall teaching – learning experience in your institution.

37 responses

Teaching is very good
Activities are carried out regularly in college

Good

I thought that institute have focus on skilled training and learning activities so that should be helpful for students for their placements.
I will request to avail more opportunities for better placements through campus.
That's it. 🙏

No suggestion

Good effort by faculty members in pandemic situation through online teaching.

Overall teaching- learning process is good. No suggestions.

No improvement needed
