Criterion 4-Infrastructure and Learning Resources

4.2 Library as a Learning Resource

4.2.4 Percentage per day usage of library by teachers and students (foot falls and login data for online access)

Sr.No.	Title
1.	Per day usage of library by teachers and students
2	List of users generated through In/Out management module of the software and user tracking system
3	Usage reports from service providers
4	Last page of accession register

Response: Library usage per day over last one year (2021-22) is

Method of computing per day usage of library	Number of users used library through e-access	Number of users accessed physical library	No. of users accessing library per day
In/Out management module of ILMS software to record the library visit of the users, for Digital Library usage report of database J Gate and Delnet	1757	5474	25.64

Total number of users used library through e access=745

Number of users accessed physical library=10

Number of working Days=282

No. of users accessing library per day=

Total no. of users used library through e access (1757) + No. of users accessed physical library(5474)

Number of working Days (282)

=25.64

Percentage per day usage of library

Academic Year	Number of Teachers and students using library per day	Total no. of Teachers and students	Percentage per day usage of library
2021-22	25.64	250	10.25

(Formula percentage per day usage of library = No. of Students & faculties using Library per day ÷ Total No. of Students & faculties * 100)
