Year Report of Extension Activities at AIMS Baramati A.Y. 2021-22

To

The Director

AIMS Baramati

In A. Y. 2021-22 AIMS, Baramati faculty and students actively sensitized students to social issues. It was achieved by collaborating with Baramati Municipal Council (BMC), Baramati, through its active MoU.

Following is the list of activities and their impact:

1. Safe, Clean & Pollution-Free Diwali Awareness Campaign: An E-Survey was conducted during the Diwali Festival period from the last week of October 2021 to the 2nd Week of November 2021. The officials from BMC Baramati visited AIMS and guided students on how to keep Baramati city Safe, Clean and Pollution Free. Our Students designed an Electronic Survey form, Citizen Awareness Certificate. BMC and AIMS jointly launched this Survey and circulated it through the Facebook Page and Whatsapp Groups for awareness amongst citizens of Baramati. It created pre and post-Diwali awareness among citizens. Each participant who submitted the form received an E Certificate signed by the Chief Officer BMC, President – of BMC and Director –of AIMS Baramati.

Impact: 61 Students of MBA First Year and 38 students of MBA Second Year learnt how to design and develop Citizen Awareness Survey Forms and certificates. Students knew how to carry out data analysis, and the findings were helpful for BMC in formulating future strategies. This activity sensitized the students and 167 citizens of Baramati towards celebrating pollution-free festivals and keeping the city clean and safe.

2. Swatch Survekshan and E-Pledge Awareness Campaign: BMC Baramati and AIMS Baramati collaborated in the Citizen Awareness program under the Swatch Survekshan Campaign of the Government of Maharashtra. In this activity, the officials of BMC Baramati visited AIMS. They guided students in participating and spreading awareness about Swatch Survekshan 2021. MBA First Year and Second Year students participated by filling up a Survey form designed by the Government of Maharashtra under the said campaign. Furthermore, a team of MBA students prepared an awareness message through Whatsapp and circulated the same in their neighbourhood. This activity created widespread active participation of citizens in the campaign. All participants also took the E-Pledge of keeping the city clean and green and received certificate under Majhi Vasundhara Abhiyaan of the Government of Maharashtra. The said activity was conducted during the period 1st Week of April, 2022 to 3rd Week of April, 2022.

Impact: 59 Students of MBA first Year, 41 students of MBA second year and 112 Citizens of Baramati participated in Swatch Survekshan. They learn how to keep Baramati City Safe, Clean and Green. They understand the importance of a pollution free and sustainable environment.
