Apropos to the approval letter of financial support issued on 05/10/2022, looking into the discrepancies, the clarification is sort on the matter. In order to avail Institutional financial support to Patent, Research Paper, Conference, FDP, Refresher Course faculty members should adhere to the following norms.

1. **Research Papers:** 50% of total publication fee for max two papers/ faculty in academic year
   a) **Research Scholars:** Faculty members pursuing Ph.D. can publish the research paper as a first author with Institute name accompanying their guide only as a co-author.
   b) **Ph.D. Holders:** Faculty members who have completed their doctorate should publish the research paper as a single author with Institute name.

2. **Patents:** 50% of registration fee for one patent max in academic year. Group patent for maximum 6 members is allowed with Institute affiliation mentioned in the patent.

3. **Conference, FDP, Refresher Course:** 50% of registration fee for attending Conference FDP/ refresher course max one in either category per academic year.

The maximum ceiling for financial support putting together all of the above per faculty may be Rs. 5000 or 50% of claimed amount whichever is less in academic year. Students and Institutional development could be the thrust areas for publishing patents, FDP the research paper and refresher course so that it will add value and patronage for the Institutional Growth.

All are requested to take note of it.
