

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Institute has a registered Alumni Association (AIMS Alumni Association). AIMS Alumni with their presence in various companies of national and international repute, has been contributing in our Training & Placements, Industrial Visits, Guest Lectures and events and pursuing their entrepreneurial goals within and outside Pune district, bringing name and fame to AIMS. We describe our Alumni Meets as "Sojourn at AIMS". Their inputs are taken into consideration and incorporated in the pedagogy of the AIMS. AIMS Alumni Association has compiled a directory of the contact numbers, names and e-mail ids, present occupation, future aspirations of the alumni, etc., since the inception of the Institute. The same has been made available in our dedicated AIMS Alumni Web Portal. Several alumni who have been benefited through the AIMS's Centre for Incubation and start-ups where they interact and share their experiences with the mentors to further strengthen the entrepreneurship development initiatives. While AIMS has been immensely benefitted financially, ideologically by its alumni base, they also acknowledge the continuous support that their alma mater has been providing. AIMS Alumni Association essentially acts as -our eyes and ears in the society, helping hand in the community, and a perpetual brand ambassador of our Institute.
