SUB: Feedback about syllabus enrichment from the stakeholders-Reg.

Respected Sir,

As a teacher of the Financial Management Course, I have collected and analyzed feedback from students, Teachers, and alumni about the syllabus enrichment. The findings I would like to share are as follows:

Need the following additions to the courses:

1. 205FIN: Financial Markets and Banking Operations
 - a. Practical: Demonstration of the Financial Market from broker firms.
 - b. Practical: Visits to see banking operations
2. 206FIN: Personal Financial Planning
 - a. Practical Activity: Implementation of Financial plan of any household
 - b. Practical Activity: Implementation of budget, income expenditure statement, and balance sheet of any household
 - c. Interaction session: with Advocate for legal exposure of chapter retirement planning-will formation, estate plan, Trust formation

Above mentioned enrichment will certainly help in bridging the gap between industry and academia. The employability will also increase and our NEP objective can be achieved in this way.

Our Institute "Anekant Institute of Management Studies, has implemented above enrichment and found impactful results in terms of Student engagement and employability.

I witnessed the progress of the University in continuously reaching new heights of quality benchmarks.

Thanking you.

Course Teacher,
