SECRETARY'S DESK

Guidance from our secretary on achieving academic excellence and future goals.

Academic Year 2023-2024

Dr. Harshavardhan Vhora

Secretary
Anekant Institute Of Management
Studies (AIMS)

Dear Well-wishers,

Anekant Institute of Management Studies (AIMS) always pays attention in imparting holistic and quality education to prepare tomorrow's all-rounder managers.

A popular saying goes like this... "Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it". We train students to imbibe all the three qualities essential for a successful career.

The students are trained to face the present turbulent, uncertain world with courage, so that their dreams and hopes are realized, thwarting the threats and made to align with reality.

Experienced executive knows that management education is not about earning another degree or a diploma. It is about broadening the scope of thinking to identify possible challenges and deepen the understanding of various issues surrounding any situation.

Dear students, you may be surprised to know that, visitors to my Institute either as guest lecturers from industry, or as invited guests at our events, and even the participants of the events and other dignitaries have always expressed their great appreciation on the commendable work of AIMS.

A bottom line message is, AIMS without any doubt, is one of the best MBA Institute in Pune District, because it's reservoir of knowledge, industry inter-face, etc. All our alumni till date are well placed and closely knit across different batches. This strong alumni network certainly is paying us the rich dividend. Yes !!! It is threshold for your glorious path and success in days to come...

WISHING THE BEST!
