### Minutes of Meeting - 3

1. To discuss the policy of not charging fines on the late return of books related to competitive examinations.

→ Not imposing fines could motivate students to take books on competitive exams without fear of being penalized if they need to keep them a little longer for revision or preparation.

Students may need these books closer to their exam dates, and having an extended loan period without penalties can ease the pressure, especially for those facing tight schedules.

So it was decided not to charge fines on the late return of books related to competitive examinations.

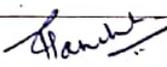

2. To discuss renewal of J Gate Subscription.

→ It was decided to renew J Gate Subscription of journal as it is needed to faculty and students for their research.

3. Any other point.

→ It was decided to pay AMC of Easylib software as it is mandatory.

## Minutes of Meeting No. 4

1. To discuss the stock verification report of books in the library.

→ The stock verification report of the library shows that as of date 45 books are missing. The details are as follows

1. 18 books (Worth Rs. 4,050) were CET books issued to Dr. D. P. More between 2019 and 2022.
2. 15 books (Worth Rs. 5,649) are reported as lost by the library
3. 12 books (Worth Rs. 4,050) were issued to students who have not returned it.

As per the Govt. GR regarding library stock verification, a loss of up to 3 books is permissible per 1,000 transactions. Considering that our library handles over 1,000 transactions annually, a total of 15 books can be permitted as missing for the period from A.Y. 2019 to 2025.

Dr. D. P. More was a part of admission promotion Campaign and as request received from students of Akhij, Pandharpur and Sangola College, we issued 18 MBA CET books for CET preparation during Admission year 2019-20. These books were not returned to us by the students. Since the HODs from these colleges were involved in issuing books, they requested us to waive off the books as same were not returned by the students. To continue our rapport with the HODs and Principals from these admission captive areas we did not insist them further. So, it was decided to waive these books.

12 books were issued to the students who have not returned it. It was decided that if their documents are with us, ask them to return the books first and then issue documents to them.
