### Anekant Education Society @ a Glance

Anekant Education Society is established in 1961 under the able guidance of Late Shri Fulchandji Gandhi, Education Minister of the Former Hyderabad State. The founder President of the Society Late Shriman Seth Lalchand Hirachand Doshi, founder President of Premier Automobiles Ltd., and Walchand Group of Industries was determined on attracting the best talent to institutions operating under AES.

The society has chosen the Jain concept of “Siddhirnekantat” and “Anekantvad” in the nomenclature of the Society. The Society started Undergraduate Programs in Baramati in the year 1962. The college eventually was renamed as Tuljaram Chaturchand College. In a span of about 5 decades of its presence, Anekant Education Society has touched upon the lives of almost every household in and surrounding areas of Baramati.

### Anekant Institute of Management Studies (AIMS)

- \* Religious Minority MBA Institute [Estd. in 2011]
- \* SPPU Approved PhD Research Center
- \* Approved by AICTE, DTE, Govt. of Maharashtra
- \* Permanently Affiliated to Savitribai Phule Pune University
- \* Accredited by NAAC
- \* ISO 21001: 2018

AIMS uniquely blends the rich culture of a proactive, committed environment and the latest technology. Institute aim to provide our students with valued quality management knowledge through new methodologies and resources by experienced, & dedicated faculty members.

Today, it is known to be the leading and most prestigious institute in and around Baramati.

### About the Conference

This conference seeks to foster meaningful interdisciplinary dialogue on the evolving relationship between Artificial Intelligence and society. By bringing together experts from technology, ethics, policy, and social sciences, it aims to explore how advancements in AI can be ethically aligned with core human values such as fairness, transparency, and accountability. The conference will underline the need for inclusive approaches that give space to diverse voices and perspectives. Emphasis will also be placed on promoting responsible innovation that not only mitigates risks but also maximizes societal benefits. The ultimate goal is to identify pathways where AI supports sustainable development and works as a tool for human progress rather than replacement.

### Conference Team
